

AFFIDAVIT IN SUPPORT OF CRIMINAL COMPLAINT

I, Lewis Brooks McKenzie, being duly sworn, hereby deposes and says:

1. I am over the age of 18 and am a resident of **Texas**. I have personal knowledge of the facts herein, and can testify completely thereto; and
2. I suffer no legal disabilities and have personal knowledge of the facts set forth below.

PURPOSE OF AFFIDAVIT

1. This affidavit is submitted in support of a Criminal Complaint against the individuals named herein, and other as yet unnamed court actors, entities, and individuals; and
2. In support of each and every victim of the corrupt Tarrant County judiciary who has experienced similar abuses as outlined herein.

BACKGROUND OF AFFIANT

I am a very politically active Public Speaker in Texas who has, for years, exposed corruption in our Texas courts and with our elected officials. I also hold a Bachelor's of Science in Psychology, a Master of Arts in Clinical Psychology, and a PhD in Developmental/Experimental Psychology, along with being the former Assistant Director of Research for the TCU Institute of Child Development, and a recognized Expert in my field by the State of Texas, the Tarrant County Bar Association, and numerous other agencies.

As is my Right under the Constitution of the United States, I have vociferously and doggedly toured the State of Texas speaking out against the innate corruption of the Texas Family Courts, and specifically the corrupt judges/officials in Tarrant County. This protected speech was exercised on January 9, 2023 at True Texas Project of Tarrant County, a group that boasts multiple Tarrant County judges and court actors as members. This event was attended by numerous individuals, but specifically individuals associated with the Fort Worth Attorney General's Office and a current sitting District Judge, Cynthia Terry of the Tarrant County 325th District Court.

At this well attended political event, where I was the Keynote Speaker, I specifically named sitting judges and elected officials (Judges Stone, Newell, Nevarez, Wells, Bennett, Sheriff Waybourn, DA Sorrells, etc.). At this event I provided documentation, audio/video, and other evidence of systemic corruption in Tarrant County and specifically within its judiciary and LEO community.

Subsequent to my January 9, 2023 presentation about the utter corruption of the Tarrant County Family Courts, a motion for a Show Cause hearing was requested by the Tarrant OAG Child Support Division January 11, 2023, with *absolutely no*

conference with this Pro Se Defendant. Additionally, the Tarrant OAG may have done this as a favor to an angry judicial actor, as in the months prior, the Austin OAG had sent me Notice of a hold on anything related to Child Support, which I believe was in response to an Affidavit I submitted to them in the months prior. If true, this would mean that State employees and numerous other court actors have acted in concert to **knowingly and willingly** violate my Constitutional and God given Rights. in an attempt to illegally jail me for my Protected Free Speech. The hearing to illegally jail me for exercising my Protected Free Speech was scheduled for April 18, 2023.

This case was removed to Federal Court to prevent the unlawful incarceration that was being sought by the OAG Child Support Division and the 233rd court actors. After the Perfected Removal and Notification to all parties on April 17, 2023, the Tarrant OAG employees and State court actors continued to (a) hold hearings without jurisdiction, (b) issue an illegal warrant from said illegal hearings, (c) refused to withdraw the illegal warrant, (d) instigated the illegal and debilitating incarceration of Affiant, in violation of State and Federal laws, and (e) caused irreparable harm to Affiant with regard to reputation, standing in his community, and lifelong physical and mental damages that can never be fully repaired, and (f) this state sponsored ongoing abuse of Affiant continues to this day with an unlawful Bond still in place since December 2023 and the commensurate psychological and somatic damage that continues to aggregate.

STATEMENT OF PURPOSE

This Affidavit is being submitted as Evidence of crimes being systematically committed by individuals within the Tarrant County Judiciary, OAG Child Support Division, numerous other court actors, and individuals not yet named. These crimes are ongoing and have been since the inception of Cause # 233-651265-18. There is no Immunity from any action taken by a Judicial Officer or Court actor in the absence of Jurisdiction. These actions have been taken by multiple individuals and entities, I believe in concert (i.e., think RICO), and were done **knowingly and willingly** for the sole purpose of harassing, damaging, and incapacitating the Affiant.

Most all who receive this Affidavit/Complaint (as outlined below) has taken an Oath of Office that should be similar to:

Article XVI, Section 1, of the Texas Constitution outlines the official oath of office as follows: "I, _____, do solemnly swear (or affirm), that I will faithfully execute the duties of the office of _____ of the State of Texas, and will to the best of my ability preserve, protect, and defend the Constitution and laws of the United States and of this State, so help me God."

In addition, before taking the oath of office and beginning the duties of office, each elected or appointed officer required to take the oath must also subscribe to the following statement:

"I, _____, do solemnly swear (or affirm) that I have not directly or indirectly paid, offered, promised to pay, contributed, or promised to contribute any money or thing of value, or promised any public office or employment for the giving or withholding of a vote at the election at which I was elected or as a reward to secure my appointment or confirmation, whichever the case may be, so help me God." TEX. CONST., art. XVI, § 1.

This Oath requires Oath Holder take action when presented with evidence of corruption, unlawful conduct by another official, or the appearance of unethical/illegal behavior. This Affidavit/Complaint serves that purpose, as outlined below.

NOTE. THIS IS NOT THE 1ST AFFIDAVIT SUBMITTED TO MANY OF THE COURT ACTORS LISTED. A PREVIOUS AFFIDAVIT HAS BEEN SUBMITTED TO THE COURT ON MULTIPLE OCCASIONS AND HAS NOT BEEN ADDRESSED BY ANY JUDGE, OAG EMPLOYEE/ATTORNEY, OR OTHER WHO HAS A SWORN DUTY TO ACT, OPENLY VIOLATING THE OATH OF OFFICE, WHICH IS GROUNDS FOR REMOVAL IN AND OF ITSELF.

4. It must be signed by the affiant by writing his name or affixing his mark.

Said COMPLAINT (as described herein) is then Submitted to the Magistrate (or DA, etc.):

CHAPTER 4. COURTS AND CRIMINAL JURISDICTION

Art. 4.01. WHAT COURTS HAVE CRIMINAL JURISDICTION. The following courts have jurisdiction in criminal actions:

1. The **Court of Criminal Appeals**;
2. Courts of appeals, other than the Court of Appeals for the Fifteenth Court of Appeals District;

4. The **criminal district courts**;
 5. The magistrates appointed by the judges of the district courts of **Bexar** County, **Dallas** County, **Tarrant** County, or **Travis** County that give preference to criminal cases and the magistrates appointed by the judges of the criminal district courts of **Dallas** County or **Tarrant** County;

16. The magistrates appointed by the judges of the district and statutory county courts of **Denton** County; and
 17. The magistrates appointed by the judges of the district and statutory county courts of **Grayson** County.

As can be clearly seen, many receiving this Affidavit are responsible and have Jurisdiction over this matter and must accept this Affidavit/Complaint.

(a) A magistrate may issue a warrant of arrest or a summons:

1. In any case in which he is by law authorized to order verbally the arrest of an offender;

STATUTORY VIOLATIONS

PENAL CODE TITLE 8.

OFFENSES AGAINST PUBLIC ADMINISTRATION, CHAPTER 39. ABUSE OF OFFICE

Sec. 39.02. ABUSE OF OFFICIAL CAPACITY.

(a) A public servant commits an offense if, with intent to obtain a benefit or with intent to harm or defraud another, he intentionally or knowingly:

- (1) violates a law relating to the public servant's office or employment; or
- (2) misuses government property, services, personnel, or any other thing of value belonging to the government that has come into the public servant's custody or possession by virtue of the public servant's office or employment.

Sec. 39.03. OFFICIAL OPPRESSION.

(a) A public servant acting under color of his office or employment commits an offense if he:

- (1) Intentionally subjects another to mistreatment or to arrest, detention, search, seizure, dispossession, assessment, or lien that he knows is unlawful;
- (2) Intentionally denies or impedes another in the exercise or enjoyment of any right, privilege, power, or immunity, knowing his conduct is unlawful; or
- (3) Intentionally subjects another to sexual harassment.

THE FOLLOWING CODE IS RELEVANT AS ONLY THE OAG OR OTHER OUTSIDE ENTITY CAN INVESTIGATE THIS CASE, AND SIMILAR SUCH CASES.

The local authorities are known for corruption and have fiduciary relationships with all the accused. DA Sorrells is a former District Judge who left in disgrace after a well-publicized family court case and cannot be over any investigation involving the judiciary. Sheriff Waybourn has already been found to fail to prosecute felonies presented to him (Yan case among others) and is unable to do so here due to fiduciary relationships, so that only leaves the OAG and Texas Rangers, unless we want to bring in the Feds; DOJ just decimated the Texas Juvenile Justice system, has already done so to CPS, and would likely be more than happy to take this on as it is also under the unconstitutional Texas Family Code.

Sec. 39.015. CONCURRENT JURISDICTION TO PROSECUTE OFFENSES UNDER THIS CHAPTER. With the consent of the appropriate local county or district attorney, the attorney general has concurrent jurisdiction with that consenting local prosecutor to prosecute an offense under this chapter.

Added by Acts 2007, 80th Leg., R.S., Ch. 378 (S.B. [563](#)), Sec. 2, eff. June 15, 2007.

NOTE. I am not a legal professional, I am a Pro Se litigant with no legal training. Therefore, I am not responsible to outline every possible crime committed, but merely to provided enough for Probable Cause, which has been more than met with the following Statement of Facts.

STATEMENT OF LIMITED PRESENTATION OF FACTS

This affidavit does not include all of the facts known to me, but only those facts relevant and sufficient to establish probable cause. I have no duty to provide evidence to the accused, nor do I have any responsibility to conduct any investigation that falls under the purview of anyone receiving this Affidavit. I have met my burden as this Affidavit/Complaint establishes probable cause on its face.

STATEMENT OF FACTS

NOTE. DR. MCKENZIE HAS PERSONAL KNOWLEDGE OF MOST EVERYTHING LISTED IN THIS SECTION, INCLUDING RECORDINGS AND OTHER DOCUMENTATION THAT WILL BE PROVIDED FOR CRIMINAL PROSECUTION.

1. Associate Judge Kate Stone
 - a. On or about May 2, 2019
 - i. There was NO HEARING or WITNESSES called this date, instead JUDGE STONE held a 'conference' with Attorneys and CPS Investigator James Rost (Rost was later fired/resigned by CPS for his actions in this court, I believe). At no point did anyone testify in Open Court, or was the FATHER ever asked any question; Judge Stone repeatedly yelled at the FATHER, insulted him in Open Court, and disregarded the fact that NO EVIDENCE has ever been presented that FATHER has ever done anything to his family or child.
 - ii. After the ""in chambers"" discussion between WIFE's Attorney, FATHER's Attorney, and Former CPS Investigator James Rost, Judge Kate Stone yelled at the FATHER the following:
 1. The FATHER is a ""disgrace to [his] profession""
 2. The FATHER ""is using Bible and God to brainwash [his] family"" by following/teaching a Christian perspective
 3. The FATHER ""will not use God to control [his] child"" by doing Bible Studies with his child; this was the verbal reasoning for ordering no phone contact between FATHER and child.
 4. The FATHER ""attempted to get [the MOTHER] fired"" by asking WIFE's employer to offer her help for her mental health issues

5. The FATHER ""had the MOTHER locked up on a Mental Health warrant""; an Arlington Judge granted the Mental Health warrant after reviewing the application, yet FATHER was punished for following law and mechanisms to try and get help for his mentally ill WIFE and the son WIFE was/is abusing.
 6. The FATHER was responsible for WIFE abusing child; Judge STONE openly BLAMED FATHER for WIFE abusing the child
 7. The FATHER was getting a divorce ""whether you believe in divorce or not"" and the FATHER, because of his Christian beliefs, was interfering with the court by not cooperating with divorce; FATHER's Christian beliefs were repeatedly mocked and FATHER was accused of being 'hostile' because he does not believe in divorce
 8. Judge STONE openly threatens retaliation, ""I will terminate your Parental Rights so fast it will make your head spin"", then forced FATHER to sign court documents (i.e., Child Support), otherwise Judge Stone stated she would terminate the FATHER'S Parental Rights. This threat of retaliation (""I will terminate your Parental Rights so fast it will make your head spin"") was repeated by opposing counsel to CPS/FBSS worker in July 2019. Opposing counsel Dawn King (TX BAR# 24097095; Dr. McKenzie is requesting referral for discipline) stated in a meeting at CPS facilities that Judge STONE has repeatedly told FATHER that she would ""Terminate his Parental Rights"" (this is documented in notes from the July 22, 2019 CPS Family Meeting and within the Statement of David Lewis McKenzie).
- iii. After yelling at the FATHER and making numerous disparaging and unsupported accusations, Judge STONE made the following declarations/rulings:
1. The FATHER would no longer have any phone/text/email communication with 7 year-old son ""because FATHER is doing Bible studies" with his son
 2. The FATHER would lose all Thursday overnight visitation "because FATHER is responsible" for child missing school; there was no evidence presented for this assertion
 3. **The FATHER would NOT do any Bible studies with his son; this was a declaration by STONE**
 4. **FATHER would not speak to son about God/Bible; this was a declaration by STONE**

5. FATHER would sign the Child Support Order or have all visitation removed
6. Judge STONE also was instructed by CPS Investigator James ROST to do the following, which she ordered:
 - a. CPS ROST ordered to remain on case; **this did not happen as ROST was fired after FATHER filed complaints with DFPS and OIG, and CPS later lawyered up and refused to have anything to do with Dr. McKenzie.**
 - b. Family Based Safety Services (FBSS) to become involved with family, WIFE had open ABUSE investigation by CPS, but FATHER had no history or investigations by CPS; Judge STONE openly BLAMED FATHER for WIFE abusing child
- b. On or about September 3, 2019 "WIFE's Attorney filed Restraining Order against FATHER seeking to terminate all visitation unless SUPERVISED by CPS. During this hearing, Judge STONE did/said the following:
 - i. Ruled that FATHER would lose all unsupervised visitation, even though FBSS and CPS employees testified under oath that FATHER had never done anything to his son, and there was NO EVIDENCE that FATHER was coaching son, causing harm, or anything else. Judge STONE stated, ""I don't care if there is no evidence. I know [FATHER] is doing something. So I am granting Supervised visits request because of what [FATHER] did in the past."" As previously stated, FATHER has never been found to do anything, and no agency has ever presented evidence FATHER has ever done anything harmful to his family or son. To the contrary, multiple CPS and FBSS employees have testified that there is ""no evidence"" FATHER has ever done anything to son. At this time, WIFE was still under investigation by CPS for ABUSE/NEGLECT.
 - ii. Judge STONE continued to restrict all phone/text/email contact between FATHER and son because ""[Judge STONE] don't want [FATHER] using the BIBLE to manipulate the child", even though the child has been read the Bible every day since he was born.
 - iii. Ordered FBSS/CPS to supervise visits with FATHER, but does not dictate specifics (e.g., time, day, etc.)
 - iv. Orders ""status hearing"" in November 2019
 - v. Judge STONE OPENLY NAMES the confidential reporter of a CPS Neglect case that was open at this time. Judge STONE had no way to get such information without *EX PARTE*. Judge STONE openly names this anonymous reporter in Open Court.

- vi. Judge STONE has many other instances of obvious *EX PARTE*, openly discussing topics that have never been addressed in court and could ONLY come from *EX PARTE* discussions with opposing counsel and/or DFPS/CPS/FBSS workers.
- vii. Judge STONE again calls FATHER a ""disgrace to your profession"", accuses FATHER of ""using the Bible to manipulate"" the child, tells FATHER ""do not discuss religion, the Bible, God, or divorce with your child"", and again openly blames the FATHER for the child being abused by the mother because the child is being ""controlled with God".
- c. On or about November 2, 2019 During a ""status hearing" to revisit the UNLAWFUL order by Judge Stone for FATHER having only supervised visitation, the following occurred:
 - i. FBSS employees did not recommend continued Supervised Visitation, but Judge STONE kept questioning the FBSS worker until the worker stated that Supervised Visits could continue if Judge thought it best
 - ii. Judge STONE again ignored the fact that NO EVIDENCE has ever been presented that FATHER has ever harmed his child
 - iii. Judge STONE continued to abuse and retaliate against FATHER for his Christian beliefs (i.e., divorce is not Christian and should be avoided) and for teaching his son the Bible; the FATHER continued and continues to pray with his son, have brief child appropriate Bible studies, and teach his son Christian values. The FATHER has refused to cease his Christian teaching of his son, even though Judge STONE, CPS, and FBSS have threatened the FATHER if he continues to practice his religion.
 - iv. After this status hearing, Mary Abbott (TX BAR# 24049890; FATHER's former attorney) told FATHER to stop praying, doing Bible studies, or talking about Christianity with child. Abbott stated that Judge STONE, CPS, and FBSS were all targeting FATHER for his continued Christian practices during Supervised Visits, and that if FATHER ""would just do what they want", he may get his visitation back ""because there is no evidence you have ever done anything". Abbott said that they (Judge STONE, CPS, FBSS) are all very clear that Christianity should not be practiced and they will continue Supervised Visits until FATHER stops practicing Christianity. Mary Abbott quit FATHER's case when FATHER demanded Mary Abbott report these court actors.
- d. On or about June 30, 2020 during an online Zoom hearing, Kate Stone was requested to Recuse herself for her illegal and corrupt.
 - i. At the beginning of this hearing, Kate Stone said she was ready to rule on FATHER's motion before any formalities or even the introduction of the parties. No hearing, no testimony, nothing

- but EX PARTE communications which were referenced repeatedly by KATE STONE and opposing counsel DAWN KING.
- ii. STONE then started talking about emails she has received about her egregious violations of Dr. McKenzie's constitutionally protected Rights, verifying that these complaints have been made repeatedly and sent repeatedly to all court actors.
 - iii. STONE then threatened the FATHER "because his behavior requires extreme measures", but the behavior of the FATHER was never defined nor addressed, as there has NEVER been an actual hearing ever in front of KATE STONE.
 - iv. When requested to Recuse due to her abhorrent conduct and EX PARTE, Kate Stone laughed, mocked the FATHER then stated:
 1. "[I] violated your Constitutional Rights, what are you going to do about it? No one is going to do anything about it.", a statement that has proven very true.
 2. STONE accuses FATHER of unnamed actions and that she was going to teach FATHER a lesson; problem being that no motions or filings have been in that court other than the FATHER's. So there is no possible way for STONE to know anything other than via EX PARTE, which she openly admitted to with Dawn King opposing counsel.
 3. "You will have to recuse the entire 233rd, because no one is going to rule in your favor on anything. I've already talked to Newell and you will never get a ruling."
 4. Stone refused to RECUSE and instead threatened to dismiss FATHER's Motion WITH PREJUDICE if he did not agree to attorney's fees and other fines by the court. Literally extorted the FATHER openly and without any shame.

2. District Judge Kenny Newell

- i. The dishonorable Kenny Newell was directly informed of the above egregious behavior by STONE on multiple occasions by various individuals who had witnessed STONE's illegal behavior; these emails and complaints that were referred to by STONE on June 30, 2020. Dr. McKenzie HAS PERSONAL KNOWLEDGE of this as he has read the multiple missives and emails that were sent to Kenny Newell.
- ii. During a previous Recusal hearing for NEWELL, Kenny Newell REFUSED TO COMPLY WITH the law and continued to proceed with hearings. When Dr. McKenzie contacted the 233rd court coordinator, Angie Wierzbicki to ask why hearing were being scheduled with a pending Recusal. Ms. Wierzbicki stated that NEWELL "refuses to stop anything unless he is forced to" (Memorialized in an audio recording). This information was

immediately relayed to Tracy Kemp, the coordinator for the 8th Judicial Region (Memorialized in an audio recording). **Proving that Judge Evans has been aware of the conduct of Stone and Newell for years.**

- iii. NEWELL had to be forced by Evan's office to stop proceeding with hearings, **in violation of his oath and the laws of Texas.**
 - iv. As is par for the course for the corrupt Kenny Newell, he further continued to proceed with a Pretrial Hearing and even the Final Trial when the 233rd was fully aware that Dr. McKenzie had experienced a severe physical injury and was bed ridden. Dr. McKenzie provided medial documentation to the court that was ignored repeatedly. Dr. McKenzie made repeated requests to the 233rd to reschedule the hearings but was told NEWELL was going to proceed unless he was stopped, yet again. David Evans is well aware of everything that NEWELL has done, as Evans has intervened with this idiot multiple times.
 - v. There are numerous incidents where Dr. McKenzie has recorded calls and documentation to prove illegal activity by the corrupt Kenney Newell, and this will be provided to law enforcement when these crimes are investigated.
3. 8th Regional District Judge David Evans
- a. As mentioned above, on multiple occasions EVANS' office has been notified about the corrupt and illegal behavior of both Kenny Newell and Kate Stone.
 - b. As mentioned above, EVANS has had to personally step-in to correct the illegal behavior of Newell, so it is impossible that EVANS is unaware.
 - c. On or about June 29, 2020 Judge EVANS sat over a Recusal of the corrupt Kenny and Kate of the 233rd. Hours prior to this hearing, Dr. McKenzie was called by his compromised family court attorney C.W. Martin (Texas Bar # 24078927; Dr. McKenzie is requesting C.W. Martin be referred for discipline by SCOTX) and told that the hearing must be rescheduled. Dr. McKenzie immediately called his witnesses to inform them the hearing would be rescheduled (note, witnesses to the false information of a rescheduled hearing). During this hearing, Judge EVANS knowingly and willingly participated in Fraud Upon the Court by allowing this Recusal to be No-Billed WITHOUT the FATHER's consent, then allowed an illegal Riule 11 Agreement to be entered by C.W. Martin without the FATHER's consent. EVANS literally helped facilitate a criminal enterprise.
4. Illegal Arrest of December 23, 2024
- a. In April 2023, the corrupt Kenneth Newell and Cherami Jenkins held an illegal hearing and issued a warrant for the Affiants arrest.

- b. This was done in the complete absence of jurisdiction, and with the assistance of many from the OAG Child Support Division.
- c. This occurred AFTER Dr. McKenzie perfected the Federal Removal of this corrupt case.
 - i. Every court actor was Noticed and had a full understanding that any further action on their part would be illegal and without Jurisdiction.
 - ii. Judge Newell, Judge Jenkins, and many from the OAG Child Support Division ignored these laws and requested/issued the illegal warrant.
 - iii. These same actors refused to remove the illegal warrant even after Austin OAG filed into the case and pointed out the complete lack of Jurisdiction (*See case file*).
 - iv. Dr. McKenzie was arrested on this illegal warrant in December 2023, as a direct result of the illegal actions of those named, and yet to be named.

The above is a mere fraction of what has occurred in this case. The full Investigation will also be given information of numerous other conspiracists who have aided and abetted these crimes, but for brevity, I have focused on the corrupt judges.

SUMMARY OF ILLEGAL WARRANT AND DETENTION

On January 9th, 2023 the Defendant, Dr. Brooks McKenzie, was invited to speak at the True Texas Project of Tarrant County. At this event was sitting Judge Cynthia Terry of the 325th District Court and employees/former employees of the Tarrant Office of the Attorney General. Judge Terry specifically made it a point to inform others that she had awarded 50/50 parenting that day in court; indicating that Judge Terry knew exactly who was speaking (Dr. McKenzie) and what the topic would be (corrupt family courts). The employee from the OAG left during the presentation by Dr. McKenzie, so upset that tears and crying were witnessed by those in attendance. The OAG employee left in tears and calling Dr. McKenzie a "liar" for exposing the corruption of the courts and the OAG (witnesses are ready to provide statements, including a Republican Candidate for House of Representatives).

Each of the two (2) above facts ([1] Judge Terry in attendance and [2] OAG employee leaving in tears and angrily insulting Dr. McKenzie) indicate that the January 11, 2023 motion for contempt was filed in direct response the shame and humiliation that the corrupt Kenneth Newell, Kate Stone, and others experienced after the January 9, 2023 True Texas Project event. I allege that this hearing scheduled on for April 18, 2023 was wholly established to violate the Free Speech rights of Dr. McKenzie and incarcerate him; which is exactly what eventually occurred.

██████ McKenzie Removed this case to Federal Court, an Illegal hearing was conducted by CHERAMI JENKINS and attended by the OAG and other as yet unnamed parties; all of whom were fully aware of the lack of jurisdiction as they had been served and noticed the Federal Removal of this cause, so each actor participated *in spite of knowing* it was illegal to do so. Subsequent to the illegal hearing held on April 18, 2023, an unlawful warrant was issued from the 233rd, signed by the corrupt Judges KENNETH NEWELL and CHERAMI JENKINS. Clearly AFTER the perfected removal and in clear VIOLATION of Federal and State law, **and in the complete absence of jurisdiction and immunity.**

On June 8, 2023 the Texas OAG, in what appears to be an attempt to mitigate the crimes committed by the Tarrant County OAG employees and Tarrant judges, sought to have the illegal warrant removed. This effort was ignored by the corrupt Judges Newell and Jenkins, and ironically the Illegal Warrant was sought by the Tarrant OAG counsel; likely as a direct favor to judges and an example of conspiracy to deprive Dr. McKenzie of his Constitutional Rights.

After ignoring the OAG attempt to remove the illegal warrant, Dr. McKenzie was forced to go into hiding, unable to function on a daily basis for fear of illegal arrest and/or injury, up to and including death. For almost a year, Dr. McKenzie has suffered extreme and severe debilitating cognitive, emotional, psychological, and even physical injury directly resultant of the intentional and illegal persecution by the Tarrant County 233rd, the Tarrant County OAG, and all other court actors associated with this illegal case and as yet unnamed entities and individuals.

On December 20, 2023 I, Dr. McKenzie, was arrested in Collin County for the Illegal Warrant issued without Jurisdiction by the corrupt Judges Kenneth Newell and Cherami Jenkins of the Tarrant County 233rd. After being arrested, Dr. McKenzie was transported to the Collin County Detention Center where he witnessed numerous violations of inmate rights and was repeatedly threatened by Sheriff's Deputies while in custody. Upon release, Dr. McKenzie was given a Cash Bond Receipt and absolutely no instructions as to how to attempt to comply with the terms of my release from an illegal arrest; duly noted by the filings entered by the OAG.

Also noted by the OAG is the fact that the corrupt 233rd, continues to attempt to jail Dr. McKenzie without Due Process or any other Constitutional protection guaranteed by our great nation. As such, it is required by law that I be assigned a public defender long, long ago, but to date I have never been assigned nor been contacted by any public defender. I completed the paperwork for a public defender on December 21, 2023 and have yet to receive the legal assistance required by law when incarceration is being threatened.

Allegations against Specific Individuals / Accused

Judges who have engage in conspiracy:

Kenneth Newell - Official Oppression/Abuse of Authority/Other

Cherami Jenkins - Official Oppression/Abuse of Authority/Other

Kate Stone - Official Oppression/Abuse of Authority/Other

Attorneys who have engage in Conspiracy and Other:

Choya Burkley Karla Byrd Paula Crockett

Stephen Hammel Tameka Boyd Jody Soudress

Pamela Bridges Holly Hayes

I allege that the above-named individuals, as well as yet unnamed entities and individuals, have **knowingly and willingly** violated the Constitutions of the United States and Texas, both Federal and State laws, and have engaged in an intentional criminal conspiracy to conceal and execute such crimes. I demand that these crimes be referred to an ***outside independent agency*** for full criminal investigation. I also demand that this court refer each named judge to the State Commission on Judicial Conduct and each court actor named be referred to the State Bar of Texas, in addition to the criminal investigations. These crimes date to the inception of this illegal case, and the crimes committed by court actors date back well into 2019.

RELIEF

1. I, Dr. Brooks McKenzie, am DEMANDING that Arrest Warrants be IMMEDIATELY issued for the Arrest of Judge Kenneth Newell and Title IV Associate Judge Cherami Jenkins, who acted in all absence of jurisdiction in issuing a Warrant for my arrest, which resulted in my illegal arrest and detention, a detention that continues to this day as I am under an illegal Bond.
2. I, Dr. Brooks McKenzie, am DEMANDING the IMMEDIATE REMOVAL and/or IMPEACHMENT of (a) Kenneth Newell, (b) Cherami Jenkins, and (c) Kate Stone.
3. I, Dr. Brooks McKenzie, am DEMANDING a full investigation into the Tarrant County Family Courts, and specifically the corrupt 233rd and its actors. I

DEMAND that the Office of the Attorney General Criminal Division be contacted to head this investigation and/or refer this case to the appropriate Federal agencies.

4.
